Headcount Trend

IPEDS Enrollment Trend

Enrollment by Career ---All, All

	Spring 2019	Spring 2020	Spring 2021	Spring 2022
Undergraduate	15,518 (82.1%)	15,369 (81.9%)	14,625 (80.2%)	13,825 (79.3%)
Graduate	3,385 (17.9%)	3,394 (18.1%)	3,621 (19.8%)	3,605 (20.7%)
Grand Total	18,903 (100.0%)	18,763 (100.0%)	18,246 (100.0%)	17,430 (100.0%)

Student Demographics, Enrollment Decline & Budget Reductions

- 50% students of color
- 48% Pell eligible
- 54% first generation
- 32% rural counties
- #1 in the state and #13 nationally for social mobility
- Changing student body
 - Coming in with less “academic citizenship skills”
 - Lower high school GPA
 - Less engaged overall
- Strategic reductions and not across-the-board reductions.
- Vacancies, reorganizations: ITS/IR and UNCG online
- Our [strategic framework](#) and priorities will guide decision making around reductions and investments.
 - Addiction Sciences cluster hire
 - Assistant Director, Diverse Student Engagement

Enhanced Recruitment Activities

- High school counselor visits
- Career Choice Partners
- Creating transfer friendly processes
- Former student recruitment campaign
- Increased number of campus visits and activities
- Enhanced digital marketing
- Faculty phone-a-thon
- Esports summer youth camps

Integrated Retention Plans

- Heightened use of Starfish
- Summer reboot
- Staff to teach FYE courses
- Assistant Director, Diverse Student Engagement
- Provost Fellow for Student Success, Regina McCoy
- Mental Health Training (QPR)
- Changes to orientation
- Embedded peer coaches
- Midterm grades
- Residence life check ins
- Data and outreach

Looking Ahead

- Continued focus on integrated student success
- Quality Enhancement Plan
- Transformation planning
- New Funding Formula Model
- Provost Fellow for Health & Well Being: Dr. Connie Jones

Weighted Average Appropriation per Credit Hour – Current vs. Proposed
